

CUTICURA HEALS PIMPLES ON FACE

Itched and Burned Terribly. Had to Scratch. Caused Disfigurement.

"I noticed small red blotches on my face and neck, and they soon became hard, red pimples. They itched and burned terribly so that I had to scratch, causing them to spread to my back. They came to a head and caused disfigurement. At times they were so sore I had to bathe them very tenderly.

I read an advertisement for Cuticura Soap and Ointment and sent for a free sample. I got a large cake of Cuticura Soap and a box of Cuticura Ointment, and in three weeks I was healed." (Signed) Miss E. Stevens, 751 Washington Avenue, New Haven, Conn., May 4, 1919.

"Grippe" Leaves Kidneys Weak

Ten epidemic of colds and grippe that has been sweeping the country has been left even a greater number of people than ever in a weakened, rundown condition from which there is but a slow recovery. Much of this after weakness affects the kidneys and bladder making it difficult for them to perform their natural functions. Sufferers have to get in and out of bed half a dozen times a night, their backs are weak and painful, sick headaches and dizziness are common symptoms. No serious trouble may exist, but the time to check kidney symptoms is at once before matters grow worse. No complicated treatment may be needed if a few doses of a good safe kidney regulator like Solvax is taken right away. Solvax straightens out an ordinary case of weakened kidneys in about twenty-four hours in many instances, shifts out and neutralizes poisonous uric acid and drives the clogged up kidneys, kidney waste from the body so that you can begin to feel better right away. Solvax is harmless, contains no alcohol or habit forming drugs, and Lee & Osmond Co. and other leading druggists agree to refund its full purchase price if it fails to give entire satisfaction.

FUNERALS.

Mrs. Columbus Smith.
(Contributed.)

While the Westminster church bell tolled sadly, reminding us of the loss of a member of the community, the passing away of Mrs. Columbus Smith, a large number of friends gathered Thursday at 2 p. m. in the church to see her, and of which she had been sick for some time, to pay their last expressions of esteem to the one for so long an inseparable part of the place and its many activities. The day was as nearly perfect as could be at this season, as it had been for several preceding days. The audience came from many other places and from all parts of Canterbury.

The service was very simple and was conducted by the pastor, Rev. T. Edward Davies, who added a few earnest tender words to his Scripture reading and prayer. In addition to this, a poem was read, which had been selected by the bereaved, Mrs. Smith, a long time before, and two duets were finely rendered by Mrs. Emily Bushnell and Mrs. Sagor. One was a W. C. T. U. rendering of "The Lord Is My Father," and the other with Mrs. Smith who for years has been president of Buell Local Union for the whole town of Canterbury; the other song was entitled "The Answer," the latter being sung in a body at the service.

The flowers were very abundant and exquisite in their beauty and variety, quite a number of them were wreaths and sprays. The church and community joined in being represented by a large wreath of galax leaves combined with Easter lilies; the W. C. T. U. presented a large spray of carnations.

The bearers were relatives of Mr. and Mrs. Smith. There is scarcely anyone in the town who did not personally know Mrs. Smith, and her place in the hearts of the people of the town.

Mrs. Albert Cote.

Aubrey, Thomas and George Morris and John Coutler. Burial was in St. Joseph's cemetery. Cummings and Ring were in charge of the arrangements.

Victor Marcot.

From the mortuary parlors of Cummings and Ring funeral services for Victor Marcot were held on Wednesday morning with relatives and friends present from New York, Connecticut, Massachusetts, Jewett City and Baltimore. There were many floral forms. At the services in St. Patrick's church, Rev. Fr. Theodore, of Groton, officiated, and the requiem mass. The bearers were Frank G. Aubrey, Thomas and George Morris and John Coutler. Burial was in St. Joseph's cemetery. Cummings and Ring were in charge of the arrangements.

There were many local relatives and friends present at the service in St. Mary's cemetery, including a delegation from Norwich lodge of Elks of which Mr. Sullivan was a life member and had been secretary. RUMORS OF LEROU FOR MAYOR

The rumor. When questioned over the telephone, Mr. Lerou said he really had no time to be just a town clerk, but he had heard his name mentioned for several weeks past. He had made no effort to get the nomination but if he were nominated and elected it would be his endeavor to give the city a business administration, giving the city affairs the same attention as he would if he were handling a private enterprise of his own.

The city election in June but no date has yet been set for the caucus for the nomination of candidates for mayor, members of the common council and other officers. The caucus will be held about the middle of May.

For a number of years past Mr. Lerou has been interested in civic affairs and has given his services in different offices with marked ability. He was elected to the common council in the June election of 1915 and served during his two year term as a member of the police commissioners.

Before the consolidation of the school districts of the town, Mr. Lerou was a member of the West Chelsea school committee for a number of years and was president of the committee. He was one of the six members of the first town school committee under consolidation and served on it up to a year ago. For a dozen years past he has been registrar of voters in the second district, the West Side.

In 1917 Governor M. H. Holcomb appointed Mr. Lerou to the state board of the board and he is now secretary of the board.

HERBERT M. LEROU

NOTHING HAS DEVELOPED IN CARPENTERS' SITUATION

During the past two days there has been no developments between the carpenters and the master builders regarding a wage readjustment. The carpenters have not made approaches to the master builders regarding any action that might have been reached at the union meeting on Monday evening. It is understood that the carpenters are waiting for instructions from headquarters before making any move toward a strike or a settlement.

The carpenters themselves refuse to discuss the question and are apparently adhering strictly to the agreement which they state exists wherein they are pledged to give out no information to the press.

IF BACK HURTS USE SALTS FOR KIDNEYS

Eat less meat if kidneys feel like lead or bladder bothers you—Meat forms uric acid.

Most folks forget that the kidneys, like the bowels, get sluggish and clogged and need a flushing occasionally, else we have backache and dull misery in the kidney region, severe headaches, rheumatic twinges, torpid liver, acid stomach, sleeplessness and all sorts of bladder disorders.

You simply must keep your kidneys active and clean, and the moment you feel an ache or pain in the kidney region, get about four ounces of Jad Salts from any good drug store here, take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and is harmless to flush clogged kidneys and stimulate them to normal activity. It also neutralizes the acids in the urine so it no longer irritates, thus ending bladder disorders.

Jad Salts is harmless, inexpensive; makes a delightful effervescent lithia-water drink which everybody should take now and then to keep their kidneys clean, thus avoiding serious complications.

A well-known local druggist says he sells lots of Jad Salts to folks who believe in keeping their kidney trouble while it is only trouble.
